

**Atexxo Manufacturing**  
Specialist in ATEX and IECEx Equipment

## Explosion Proof ATEX Zone 2 Intrinsically Safe iPad Mini 4

Explosion Safety	CE Ex II 3G ; Ex ic IIC T4 Gc
------------------	-------------------------------

All new from Atexxo Manufacturing, the Apple iPad mini 4 now suitable for use in hazardous locations. The explosion proof iPads are originally manufactured by Apple than converted and certified according to the ATEX directives by Atexxo Manufacturing B.V. This makes the Tablets suited for safe use in gas /vapor zone 2 hazardous locations. ATEX Zone 2 is the European equivalent for US, NEC Class 1 Division 2 equipment. (C1D2)

Compliance with ATEX / EX regulations is achieved by modification of the casing together with the intrinsically safe electrical circuit, which makes the tablets suitable for safe use in hazardous locations. All features of the original product are preserved. Even the fingerprint scanner can be used safely at hazardous locations.

The ATEX iPad mini 4 comes with a black case finish and is available for both the WIFI only model and the WIFI + Cellular model. Beside safe use as smart tablet, both versions are excellent for use as intrinsically safe video or photo camera with wifi connection.

Cost effective ATEX Zone 2 iPad mini 4

### Benefits:

- Intrinsically Safe Design
- Water resistant / Slim design
- Latest models, ATEX Certified.
- ATEX Zone 2 (zone 22 on request)
